I remember how I felt the first time that I met you  
Couldn't take these eyes off of you  
There was so much I wanted to do with you, baby  
Ooh yeah, yeah, yeah, baby

Made up my mind I'd always be here  
No matter what, just the two of us  
I'm so sprung on you, I don't know what to do  
I'm so in love with you

Do you like the way it sounds  
When I put it down?  
When I make that noise like I do?  
Ooh, ooh, ooh, ooh  
Oh, oh, oh

My body tastes like butterscotch  
When you lick that spot  
You be lickin' up and down on boo  
Ooh, ooh, ooh, ooh  
You qualified, let's do what freaks do

Boy I like it when you get on top  
Boy just take your time  
Boy you know you're blowing my mind, oh, yea  
Boy you know it's not just a sexual thing, no no no

The way I feel for you is real boy  
Don't question me  
Your fantasies I will fulfill boy  
You should be lovin' me

Do you like the way it sounds  
When I put it down?  
When I make that noise like I do?  
Ooh, ooh, ooh, ooh  
Oh, oh, oh

My body tastes like butterscotch  
When you lick that spot  
You be lickin' up and down on boo  
Ooh, ooh, ooh, ooh

You qualified, let's do what freaks do

I don't stop  
Til I hit the spot  
Til I I won't stop  
Til I make it hot

Til I  
I won't stop  
Til I make you cream  
Til I I won't stop  
You know what I mean

I won't stop  
Til I hear you moan  
Til I I won't stop  
Til I hear you groanin'

I won't stop  
Til you come and funk me  
I won't stop til you  
Tell me you can't take no more and

Do you like the way it sounds  
When I put it down?  
When I make that noise like I do?  
Ooh, ooh, ooh, ooh  
Oh, oh, oh

My body tastes like butterscotch  
When you lick that spot  
You be lickin' up and down on boo  
Ooh, ooh, ooh, ooh  
You qualified, let's do what freaks do

Boy I like the way you make it do what it do  
Girl don't you know I'm in love with you?  
Boy I like the way you make me feel the way I feel  
Girl don't you know my love for you is real?

Boy I like the way I make you scream my name  
Girl I can't allow you to just drive me insane  
Ooh, ooh, ooh  
I'm so qualified, let me free you

Do you like the way it sounds  
When I put it down?  
When I make that noise like I do?  
Ooh, ooh, ooh, ooh
