Can I take you back, I take you back  
Can I take you back, I take you back girl  
To the candy store, oh yeah  
Can I take you back, I take you back  
Can I take you back, I take you back girl  
To the candy store, candy store

I took a trip to where we used to live  
, a girl, that name and asking  
, as the door, had a sign that said she don't live here  
no more  
Went to the neighbors asked because,  
You're the only one for me  
Love's the only thing in life that will free  
Now all I have left is just a memory

I remember when you were young,  
Back in the days ,  
And the only thing that's better than life  
Was the candy store, down on the corner  
All the kids in the neighborhood,  
Would get money from the parents if they were good  
And we were good, we would all gather around the  
candy store  
Down on the corner

That's when I first saw you girl, yeah, yeah, yeah  
Looking so sweet, I said, how do you do, at the candy  
store  
Down on the corner  
You were my girlfriend, I was your boyfriend,  
I met you, at the candy store

I remember when you were young,  
Back in the days ,  
And the only thing that's better than life  
Was the candy store, down on the corner  
All the kids in the neighborhood,  
Would get money from the parents if they were good  
And we were good, we would all gather around the  
candy store

Down on the corner

, in the back, moved top, the games,  
Holler at the Shawty, , bottoms with tops  
, to the back, have a girlfriend, carved her name on a  
tree  
Now all I have left is just a memory

Miss Mary Mac, Mac, Mac, all dressed in black  
With silver buttons, buttons, buttons, all down her back  
She asked her mother, mother, mother for 15 cents  
To see the elephants, elephants, elephants,  
Jump over the fence, fence, fence

I remember when you were young,  
Back in the days ,  
And the only thing that's better than life  
Was the candy store, down on the corner  
All the kids in the neighborhood,  
Would get money from the parents if they were good  
And we were good, we would all gather around the  
candy store  
Down on the corner.
