Look at you, Shorty, you really got it goin on (You know

I like the way you move it, girl, when the deejay plays
this song
Youre lookin real good to me (Lookin good to me) sittin
in a VIP
You really need to get with me (Come on)
Crystal blowin, party still goin
Crowd pleasers everywhere, but I still had to stop and
stare
Cause youre lookin real good to me (So good) sittin in a

You really need to get with me (Oh, yeah)

Girl, I wanna turn you on (Turn you on), make love all

(Like

You're lookin' real good to me [You know you look good
to me like music,

See, the night is young [Yeah], girl, let's have some fun
Just wanna lay you down [Yeah], ???little boo I

Tell me what you wanna do [What you wanna do]
So come on get with me, Shorty [Come get with me,
babe]
I got what you need [Got what you need, girl]
Come on get with me tonight, baby [Come get with me,
babe]
I got what you need [Got what you need, girl]
Now I have seen a lot of girls, but none like you
Your red-boned and thick, got it goin' on, ooh
She's in the next room, I slid by the restroom
And all I heard was zoom-zoom-zoom
I see you peekin', but you ain't speakin'
Put your drink down, think now, stop tweekin'
A once in a lifetime experience
Come get with me, it'll be luxurious, I'm serious, and
curious
To find out what turns you on
I'm Snoop Doggy Dogg with the doggy bone
Hangin' with Keith Sweat in his VIP section
Tryin' to give you more than the average affection
???Type em all???, close the doors, it's goin' down
You never thought that Keith Sweat would hook up with
the Dogg Pound
Gangsters finest, take time to listen
Come get with me cause we on a mission
Come on get with me, Shorty [Come spend the night
tonight]
I got what you need [I'll make you feel alright]
Come on get with me [Come get with me, babe]
I got what you need [Got what you need, girl]
Yo, yo, what's happenin', baby
Come on over to the VIP section
Oh, don't worry about it, you ain't got no wristband
We gon' get you in, that's all I can say
Kill em with the DPG, doin' it VIP
