Yeah

Come into my bedroom
Baby, don't you know you belong to me
Oh yes, you do
Come into my bedroom
Baby, don't you know you belong to me
Oh girl, it's true

Come in, close the door, baby
Your body belongs to me, tonight
(Your body belongs to me)
Oh yes, it does
(Come on)
If you come into my bedroom, baby
I'm gonna make you feel alright
So bring it on, bring it on tonight, come on in tonight

Come into my bedroom
(My bedroom)
Baby, don't you know you belong to me
(I know you know you belong to me, baby)
Oh yes, you do
(Bring that lovin' on)
Come into my bedroom
(Come on)
Baby, don't you know you belong to me
(We're gonna get it on)
(Tonight I'm gonna make you feel alright)
Oh girl, it's true

Hold on, embrace all of my lovin', baby
It's all waitin' just for you
(Nobody else will do)
I like, I like everything you do to me, baby
(I like it)
I'm so glad you're mine
(Tonight)
The bed will be spinnin' around tonight, baby

Come into my bedroom
(In my bedroom)

Baby, don't you know you belong to me
(I've got something I wanna do tonight, baby)
Oh yes, you do
(Come on, come on)
Come into my bedroom
(I won't hurt you, baby)
Baby, don't you know you belong to me
(I swear I won't hurt you, baby)
(I know, I know, you know, we know, you belong to me)
Oh girl, it's true

Ah yes, you do
(I know you want my body, girl)
Ah girl, it's true
(Right, right on)
Ah yes, you do
(I know you want my lovin', girl)
Ah girl, it's true
(Let me show you how)

Ah yes, you do
(Come and get it right now, baby)
Ah girl, it's true
(In my, in my bedroom)
Ah yes, you do
(I know you want it, baby)
Ah girl, it's true
Ah yes, you do
(Hey, baby, come on)

Come into my bedroom
(Ah yeah, baby)
Baby, don't you know you belong to me
(See, in my bedroom there's no restrictions, baby)
Oh yes, you do
(See baby, I won't stop, girl)
Come into my bedroom
(Anything you wanna do)
Baby, don't you know you belong to me
(Anything you wanna do)
(Come on with it, baby)
(I want you to come on with it, baby)
Oh girl, it's true
(Ah ah ah, baby)

Come into my bedroom
(Welcome to my bedroom)
Baby, don't you know you belong to me
(See, the fireplace is ready, baby)
Oh yes, you do
(And I'll get hot in all about a minute, girl, oh yeah)

Come into my bedroom
(I, I, I, I, I, I, I love you, baby)
Baby, don't you know you belong to me
(I know you belong, I know you belong to me)
Oh girl, it's true

(You'll be scratchin' my back)
(You'll be scratchin' my back)
Come into my bedroom
('Cause you like it)
('Cause you like it, baby)
Baby, don't you know you belong to me
(You'll be screamin' my name)
(You'll be screamin' my name)
Oh yes, you do
('Cause it feels so damn good, girl)
('Cause it feels so damn good, girl)

Come into my bedroom
(I'll be runnin' my lips, girl)
(I'll be runnin' my lips, girl)
(Down your body)
Baby, don't you know you belong to me
(All down your body, baby)
(Baby, you don't have to be ashamed)
Oh girl, it's true
(The bed keep turnin', baby)

Come into my bedroom
(Come into my bedroom)
Baby, don't you know you belong to me
(The bed keeps turnin', baby)
Oh yes, you do
