[Chorus]

You got everything (alright) I like (oh yeah)  
Could you bring it on tonight (alright babe)  
Bring it on, bring it on (oh yeah)  
Bring it on baby (alright)  
You got everything (alright) I like (oh yeah babe)  
Could you bring it on tonight (bring it on alright)

[Verse 1]

(For you) ooh  
I would do anything  
(For you) oh yeah  
I would go anywhere (anywhere for you) come on  
(For you)  
I'll climb the highest mountain baby  
(Just)  
Just, to have me some of your love  
(Girl can I get some)  
Oh yes I would

[Chorus]

You got everything I like (you got everything I like)  
Could you bring it on tonight (oh I want you to bring it  
on tonight baby)  
Bring it on, bring it on (I want you to bring it right here)  
Bring it on baby (ohh)  
You got everything I like (you got everything I like,  
everything)  
Could you bring it on tonight  
(I want you to bring, bring, bring it on tonight, whoa oh)

[Verse 2]

(For you)  
I would go further than I've ever gone before baby (for  
you)  
(For you), just for you  
I'll go down, down, down, down, down, down  
(For you)  
I'll fulfill all your fantasies and make em real, yes I will  
All these things my baby  
I will do just for, for you  
(I'm talking to you)

[Chorus]

You got everything I like (you got everything I like, ohh)  
Could you bring it on tonight (I want you to bring your  
body on tonight)  
Bring it on, bring it on  
Bring it on baby (bring that loving on, youâ€¦)  
You got everything I like (you got everything I like)  
Could you bring it on tonight (would you bring, bring,  
bring, bring it on tonight)  
Bring it on, bring it on  
Bring it on baby (yeah)

[Bridge]

For you  
Baby girl just for you  
Baby, there ain't nothing  
There's nothing I wouldn't do  
I wanna tell you how much I love you baby, oh yeah girl  
Baby girl just for you  
Girl if you just let me lay you down  
Baby if you just let me lay you down  
There's nothing I wouldn't do  
I want you know baby

Bring it on, bring it on (bring it on tonight, ooh, ooh,  
ooh)  
Bring it on baby (oh I'm waiting baby)  
You got everything I like (I'm waiting patiently)  
Could you bring it on tonight (girl you're everything)  
Bring it on (girl you're everything), bring it on (you're  
everything I need)  
Bring it on baby (see my love is in motion baby, oh

You got everything I like (oh yes it is)  
Could you bring it on tonight (see my love is in motion  
baby)  
Bring it on, bring it on (whoa ohh)  
Bring it on baby (would you get your body ready baby,  
I'm gonna work)  
You got everything I like (work it, I'm gonna work all  
night long, all night long)  
Could you bring it on tonight (would you bring it on)  
Bring it on, bring it on (would you bring it on, bring it  
on)

Bring it on baby (see my love is in motion baby)

You got everything I like (my love is in motion baby, oh  
yes it is)

Could you bring it on tonight (yeahâ€¦see my love is in  
motion baby)

Bring it on, bring it on (you know it is)

Bring it on baby (see my love is in motion baby)

You got everything I like

Could you bring it on tonight
