Mmm
Oh yeah
Mmm
Mmm, mmm, mmm
Yeeeeeeeah

What is this
That I'm feelin' deep inside
Emptiness
Girl, I see it in your eyes
A choice to make
Will it be me or will it be you?
Let's be honest with each other
There's one thing I don't wanna do

I don't wanna play no games
(I don't wanna play games with you)
If you wanna leave, just leave
(Leave me, yes I'm gonna miss you)
If you're not serious
(Don't wanna waste no time)
If you'll be better off without me
Then I'll be better off without you

Tried to make it last, two damn years
Just couldn't get things right
Crazy love, up and down
Guilty conscience all the time
Tired of games we play
Got to turn this thing around
Inside I know you feel the same
I can see clearly now, yeah
(It's been a long time comin')
See girl, some things must come to an end
(And I don't wanna lose a friend, no)
I don't, I don't wanna lose a friend

I don't wanna play no games
(I don't wanna play games with you)
If you wanna leave, just leave
(Leave me, yes I'm gonna miss you)
If you're not serious

(Don't wanna waste no time)
If you'll be better off without me
Then I'll be better off without you
Baby I never meant to break you down
(No, no, no, no, no, no)
Seems like we always had to fool around
(Baby, I know girl, I know)
Breakin' up is so damn hard to do
(So damn hard to do)
And I don't wanna lose a friend, no
(I don't wanna lose the best thing I ever had)

I don't wanna play no games
(I don't wanna play games with you)
If you wanna leave, just leave
(Leave me, yes I'm gonna miss you)
If you're not serious
(Don't wanna waste no time)
If you'll be better off without me
Then I'll be better off without you

I don't wanna play no games
(Tell your mama you are comin' home)
If you wanna leave, just leave
(Tell your daddy you did me wrong)
If you're not serious
(See I know you're not serious about this thing)
If you'll be better off without me
(But it's alright)
Then I'll be better off without you
(It's alright)

I don't wanna play no games
(I don't wanna play games with you)
If you wanna leave, just leave
(Leave me, yes I'm gonna miss you)
If you're not serious
(Don't wanna waste no time)
If you'll be better off without me
Then I'll be better off without you
