I got something for the fellas this time around

Ladies won't you-Tell them your names:

Tabitha, Athena and La Von

If you really, really want it

All you got to do is get up on it

If you really, really want it

All you got to do is get up on it

The time has come for us

Oooo baby to get real busy baby

Oh yes it has hmmm

And you don't have to be afraid of my love

Oh no, cause it won't hurt you sugar

Oh no it won't, oooh yeah baby

If you really, really want it

(If you really want it)

All you got to do is get up on it

(Yeaaaaaahh)

If you really, really want it

(Baby, do you really want my love)

All you got to is get up oooooon it

I like it girl when we get

Real get freaky baby, ooh yes I do baby

And I'm on my hands and knees

You know I'm with it sugar

Girl I'm with everything you want to do

(Sannnnng)

If you really, really want it

(If you really want it baby)

All you go to do is get up on it

(All you go to do girl get up on that love of mine)

If you really, really want it

(If you really, really want it baby)

All you got to do is get up on it

(Girl I want to take this off tonight)

Boy, I know that this is it

(A love)

'Cause I know that I'm giving you a love

(And I know I'm giving you a love)

A love , a love you can't resist baby

(A love you can't resist)

Babe, babe bring it on
(If you really, really want it)
If you really want it, come on and get it
(All you got to is get up on it)
Get up on it, oooooh

Come on baby
(All you got to do it get up on it)
