I'm not hatin' on him but I'm thinkin' 'pon him  
'Cause I always see you cry and you never tell nobody  
why  
I see you with your diamond ring  
And he can buy you any brand name you chose  
I'd do the same thing if I was in his shoes

But what about the days?  
(He comes back)  
Like when he comes in the house  
(You catch slack)  
Taking it out on you  
(Makes me mad)  
Just when I start to come through  
(But then I fall back)

Some day I will steal your love, soon enough

It tears me up inside to see your crying eyes  
Pouring like a waterfall 'cause he don't treat you right  
You gotta close shop on him, to the next stop, warning  
That's not how you treat the woman of my dreams

Maybe I'm being nosy  
Everything he does I know it  
The long nights to the fights, kisses to the hugs  
I'm sitting here wishing it was us, ooh!

How can I take the game  
Flip it upside-down instead of him?  
Baby girl I should be your man  
You should be sleeping in my bed

You're supposed to be riding  
In the passenger seat of my car  
Let me make a move, it's time I starred

Some day I will steal your love, soon enough  
He don't deserve you, no no no

It tears me up inside to see your crying eyes  
Pouring like a waterfall 'cause he don't treat you right

You gotta close shop on him, to the next stop, warning  
That's not how you treat the woman of my dreams

It's painful to sit around  
Watching the girl of my dreams  
(Help [incomprehensible])  
(Who can treat you no better)

It's painful 'cause I'm alone  
And she's the reason for being  
Girl, I've fallen  
Darling, you know I'm falling

When I made my way to the house  
The words rolled out my mouth  
Like, ?Excuse me miss, what's your name?  
It's kinda hard for me to explain  
I've been watching but I'm not insane  
All I know is? yeah

It tears me up inside to see your crying eyes  
Pouring like a waterfall 'cause he don't treat you right  
You gotta close shop on him, to the next stop, warning  
That's not how you treat the woman of my dreams

It tears me up inside to see your crying eyes  
Pouring like a waterfall 'cause he don't treat you right  
You gotta close shop on him, to the next stop, warning  
That's not how you treat the woman of my dreams
