[Left-Eye]:

Yo here we go-Left Eye flow
What's up! Baby you can skinny dip in my left lip sip a
little cat
Nip eat my punanna, monanna and the little banana
split get a little top notch
Play somebody's hopscotch watch as I land in my
man's crotch
Now there's a crew in perusin' what I'm doin' I wouldn't
want to ruin
You and who you knew but as I'm rollin'
Through your exes with my triple O
I'm yellin' tic tac toe from the waist below Yo!
You say tomatoes I say tomatoes so pick up on my lead
and lick on those toes
Me and my kitty cat is wearin' a hat to the throne so
baby take us to the endzone
I'm catching 80 in my shady to the top nickle I'm the
lady goin' crazy on your popsicle
And as we come a little closer to the end of the game
You know I'm taking all the sweat out your name

[Keith]:

Jam, how do you like it baby, jam
Come on don't you want to jam
I want to know baby jam
Come on jam I want to know baby
Jam, jam baby ain't nothin' but my jam
How do you like it
Don't you want to jam
How do you like it?
