OOOoo ya ya

When I first met you
I wanted to give you the best of me
something special
I gave u my trust & Honesty
And to stay fateful/ until the day I die
Then u gave me your love
I told u your the only one,that I really trust
I gave u all my love
Instead of a thug, So nothing can seperate us

(chorus)

I Love u more every day
U make me smile when I see your face
There's only 1 thing I can say
Is I love you
I Love u more every day
U make me smile when I see your face
There's only 1 thing I ca say
Is I love you

So until that day comes true
My promise to you
Is that I will stay wit you
I love u Love u more
