First me an' you made eye contact  
Ooo girl your booty's lookin' mighty fat  
Now that you got me watching you  
Oh girl what can I do?

I don't know if you with someone  
Where the hell have you come from?  
Can I get your digits baby girl?  
Ooo you know your rockin' my world

Look like somethin' from a magazine  
Ooo I hope this ain't no dream  
Somebody pinch me I don't wanna wake up  
'Cuz I can't get enough

I can't get enough of you  
I don't know what to do  
I want you girl in my life  
I just got to get with you tonight

Girl you know your doin' your thing  
Makin' my body wanna swing  
Tweek tweek tweek tweek me deep  
Come on come on get with me

All our fella on you  
Just what you buzz on to?  
I wanna see what your next move  
Ooo girl what are you gonna do?

Bend on down touch ya toes  
Oh girl no you didn't no, no  
No you didn't tell me, you didn't do that  
Oh girl I'm about to have a heart attack

I want you girl  
You know you rockin' my world  
I want you girl in my life  
I just got to get with you tonight

I want you girl  
You know you rockin' my world

Do you got me wrong, right where you want me  
Yea yea yea  
I just go crazy girl about you  
I'm deaf no, no one to do

I keep the chicks wishin' they could get the diggin's  
Get put in the missionary position, oh yea  
Submit to my teachings  
Fuck that higher now you're peakin'

Put my CD in an' just vibe  
Put the car keys in an' just ride  
To the club where we gettin' in  
Gotta a bottle of don an' two threesomes come on

Hop the bottles an' pass the draw  
An' I burn baby burn like disco inferno  
Give brain in my car till I'm smart  
No concern for crashin', my name ain't Herb Art

This your boy keep bangin' on ya deck  
Ice on my neck make sure I don't sweat  
An' I just love 'em an' leave 'em  
No reason for re runs after I freak 'em

Your so fine it makes no sense  
Oh girl you must be Heaven sent  
Now that you got me watching you  
Oh girl what can I do?

Somebody said, "Look but don't you touch"  
Ooo it's the mud to the mud to the mud  
Now you got everybody clockin' you  
Guess what I am too

I want you girl  
You know you rockin' my world  
I want you girl in my life  
I just got to get with you tonight

I want you girl  
You know you rockin' my world  
I want you girl in my life  
I just got to get with you tonight

Up in the club watchin' ladies checkin' their booty  
Up in the club watchin' ladies checkin' their booty
