This is a special love remix  
remix remix remix

You are mine  
I dont want nobody else  
I'm some glad  
I've got you to myself  
Just give your love and I'll give mine  
Girl you know things will be alright  
I want your love more than words can say  
Girl love me each and everyday

I will never do anything to hurt you (I'll never hurt you  
baby)  
I'll give all my love to you (I'll never let you go)  
And if you need me baby I'll come running (But do you  
want my love girl)  
Only to you (Never ever ever gonna let you go baby)

If you need someone to hold you tight  
Call on me and I will love you with all my might  
Out of all these girls theres only you  
Girl you make all my dreams come true  
Never gonna give you up  
Never ever gonna let you get away  
I'm so in love with you these words to you I say

I will never do anything to hurt you (I'll never hurt you)  
I'll give all my love to you (I'll never let you go)  
And if you need me baby I'll come running ( I will tell  
the world about it)  
Only to (That I really love you so)

Take my love  
Treat it right  
Let's make love all through the nite  
Let me kiss you from your head to your toes  
Come on girl  
Just let it go

OHHH OHH OHHH Baby  
I'm ready

I'm ready  
I'm READY  
I'm giving my love to you baby  
So please

Please  
PLEASE  
Dont hurt me

I will never do anything to hurt you  
I'll give all my love to you  
And if you need me baby I'll come running  
Only to you
