*[Keith]*

If I go to the club  
They just wanna take me home  
Just tryin' to have a good time  
Just wanna get my drink on  
If I go to the mall  
They come in the store  
I'm just tryin' to chill  
Said I'm just tryin' to chill

*[Lil' Mo (Keith)]*

I don't know if they think  
This is the glamorous life  
(I don't know if they think this is)  
They wanna share the life with me  
(Oh yeah, yeah, yeah)  
But what's a girl who gave all of her up in the lights  
(Oh, lights)  
It won't lead to anything  
(Yeah, yeah, yeah, yeah, yeah)

*[Keith and Lil' Mo]*

I'll trade a million bucks  
For someone's love who don't come with a price  
I'll trade in all my cars  
For someone who will love me for life

They can take away my platinum plaques  
That fame and fortune won't mean a thing  
I'll trade a lifetime just to find someone  
Who will love me just for me

*[Lil' Mo]*

Gotta change my phone  
Cuz they call my crib  
Just want some privacy  
Just tryin' to live  
If I'd have known  
It woulda been this way  
Woulda found a man a long time ago

Don't get me wrong

I'm still young and I'm not hating but

It's not as easy as it seems (whoa oh)  
Cuz I'm not out here looking for a hit and run  
I want someone who can love me for me

*[Keith and Lil' Mo]*

I'll trade a million bucks  
For someone's love who don't come with a price  
I'll trade in all my cars  
For someone who will love me for life

They can take away my platinum plaques  
That fame and fortune won't mean a thing  
I'll trade a lifetime just to find someone  
Who will love me just for me

*[Keith and Lil' Mo]*

I know in love, sometimes you lose  
Sometimes it's just not right  
And sometimes you win  
But even then  
You gotta go through it  
Gotta go through it

That's why I wish I could find  
Someone to share the same thoughts as me  
I know they are there  
I know they're somewhere  
I'll do anything

*[Keith and Lil' Mo]*

I'll trade a million bucks  
For someone's love who don't come with a price  
I'll trade in all my cars  
For someone who will love me for life

They can take away my platinum plaques  
That fame and fortune won't mean a thing  
I'll trade a lifetime just to find someone  
Who will love me just for me
