You know what you wanna do  
See I'll never ever go nowhere yet  
Think of all the times  
Baby weve been freakin from dusk till dawn  
And Im still not ready to go on  
That's the way it flows when it gets real good  
Back to back flexin my manhood  
[Oh baby] Why does it got to be so good  
[Oh baby] Girl you know you got me hooked  
[Oh baby] Girl you know you got me shook  
[Oh baby] And I aint goin nowhere  
Im not ready to end this freaky affair (Girl, Im not ready)  
Im not ready to go nowhere  
Im not ready to get my clothes and go  
Girl, Im ready to start over again  
I wanna go on and on and on and on  
Im not ready to end this freaky affair  
I wanna go on and on and on and on  
Girl, Im ready to start over again  
This freaky escapade has got me going  
It gets better when it keeps on flowin  
I broke you off all night and Im not tired  
Bring your body here and take me higher  
[Oh, baby] Why does it got to be so good  
[Oh, baby] don't you know you got me hooked  
[Oh, baby] Girl, you know you got me shook  
[Oh, baby] And I aint goin nowhere  
Im not ready to end this freaky affair (No, Im not ready)  
Im not ready to go nowhere (Im not ready, yeah)  
Im not ready to get my clothes and go  
Girl, Im ready to start over again  
I wanna go on and on and on and on (Im ready to go on and on, babe)  
Im not ready to end this freaky affair  
I wanna go on and on and on and on (On and on)  
Girl, Im ready to start over again  
Baby, weve been at it all night long (All night long)  
Im not ready (Yeah) to end it while it's still strong (While it's still  
Strong, baby)  
As I look and see the sunshine (As I look) through the

window (Yeah,  
Yeah, yeah, yeah)  
I know I should be gone (Should be gone) but I can't let  
go (But I can't  
Let go)  
Im not ready to end this freaky affair (Im not ready)  
Im not ready to go nowhere  
Im not ready (Im not ready, baby) to get my clothes  
and go  
Girl, Im ready to start over again  
I wanna go on and on and on and on (Im not ready,  
baby)  
Im not ready to end this freaky affair  
I wanna go on and on (On and on) and on and on (And  
on and on)  
Girl, Im ready to start over again (Yeah...)  
Im not ready to end this freaky affair (See, Im not  
ready)  
Im not ready to go (Uh) nowhere (To go nowhere)  
Im not ready to get my clothes and go (I don't want to  
get my close,  
No)  
Girl, Im ready to start over again (Girl)  
I wanna go on and on and on and on  
Im not ready to end this freaky affair
