My lady dejour, oh, oh, oh, yeah, yeah, yeah
Your boy is back, back, my baby
Yeah, yeah, yeah, yeah, hey girl
I do wanna kiss you, over and over,
Oh, yeah,
No one could have ever told me
We would be more than just friends
Wanna believe it
But it feels so good now
Hey girl, what can I say,
Take my breath away, I'm so glad we're together, yeah,
yeah, yeah, yeah
You're mine, I'm yours, you're mine, lady dejour,
Give me more of your pleasure
I like you baby, baby, baby, baby, baby, baby

The sweet smell of your perfume,
Fills up the whole room girl,
And I love it, I love it, love it, I do
When we're making sweet love, you do me, I do you
Like no other lovers baby, you're my lady
Hey girl, what can I say,
Take my breath away, I'm so glad we're together, yeah,
yeah, yeah, yeah
You're mine, I'm yours, you're mine, lady dejour,
You're mine, I'm yours, you're mine, lady dejour,
Give me more of your pleasure
The man on the , had the right one
And he don't have to look no further baby
Yeah lady, you're not like them other girls
I found what I want in you
You a special kind, so glad you're mine
Girl I put all bets on you, and I bet all my money on you
You, you, you, you, you, you,
, this love go deeper, and deeper, deeper in
She's a real, real, real, real keeper
And I know she never, never, never, never gonna do
me wrong
That's why I gotta sing, sing, sing this song

Hey girl, what can I say,

Take my breath away, I'm so glad we're together,
If it feels like raising your hands, come on
You're mine, I'm yours, you're mine, lady dejour,
You're mine, I'm yours, you're mine, lady dejour,
Give me more of your pleasure

,
Hey girl, what can I say,
Take my breath away, baby ,my baby.
You're mine, I'm yours, you're my lady dejour
Give me more of your pleasure.
