Freak me baby ayy yeah
Freak me baby
Freak me baby ayy yeah
Freak me baby

Let me lick you up & down
Til you say stop
Let me play with your body baby
Make you real hot
Let me do all the things you want me to do
'Cause tonight baby,
I wanna get freaky with you
Baby don't you understand
I wanna be your nasty man
I wanna make your body scream
Then you will know just what I mean
(yeah, u'll know what I mean)
24 karat gold
Don't wanna let the
I wanna lick you up & down
Then I wanna lay you down
Come on sexy thing

Let me lick you up & down
Til you say stop
(every time I think about your love
I want to lick you down)
Let me play with your body baby
Make you real hot
(and then we'll dance all freaky girl,
You know I want to love you down)
Let me do all the things you want me to do
'Cause tonight baby,
I wanna get freaky with you
I love the taste of whipped cream (hey)
Spread it on top of me
You know I can't resist you girl
I fly you all around the world
(all around the world, oh baby)
I wanna see your body trip (trip)
Cone on let me take a sip

To guard what you cherish most
'Cause when I come to grab (the boss)

Let me lick you up & down
And make your body wanna scream
Every time I think about your love I want to lick you
down

Let me freak you all night long
Then you will know just what I mean
And then we'll dance all freaky girl
You know I want to love you down

Let me lick you up & down
And make your body wanna scream
'Cause tonight baby,
I wanna get freaky with you
