We can go on and on
Ah ha, one two ya'll
Uh uh, nobody, ah

Woo, woo, this is E, Short Dog and Sweat
We vets
Coming through, hot to death, place your bets
Baguettes swing from the neck
Make wanna-be playas show us mad respect

Yo, dog
(Whassup?)
He daughter said it's cheaper to keep her
If she gets fly then, hmm, leave her
E, G hooked it up, Short Dog and Sweat
Got the average girl wanna inhale and catch her breath
(What, what, what, what)

We can go on and on
We can go on and on
Don't sleep on
Our love Jones
'Cuz we got it goin' on
You know it ain't wrong

We can go on and on
We can go on and on and on and on
Our love Jones
Not to be sleepin' on
We can go along

In the morning when the sunlight hits my eyes
I just lay there thinkin' how your lovin' keeps me in a
jive
Ain't no question, you can love me, baby like nobody
can
What you do to me, my baby girl I just don't understand
Now we can go on

We can go on and on
We can go on and on
Don't sleep on

(Don't sleep on my [Incomprehensible], baby)
Our love Jones
'Cuz we got it goin' on
You know it ain't wrong

We can go on and on
(And on)
We can go on and on and on and on
(Our love Jones)
Our love Jones
Not to be sleepin' on
We can go along

I would never ever, baby do you wrong
In the midnight hour I will always keep this lovin' strong
Just surrender your love, baby girl and I'll surrender
mine
All I wanna do right now, my girl, is baby, take my time
So we can go on

We can go on and on
(And on)
We can go on and on
Don't sleep on
(Don't sleep on my [Incomprehensible], baby)
Our love Jones
'Cuz we got it goin' on
You know it ain't wrong

We can go on and on
(And on)
We can go on and on and on and on
(Our love Jones)
Our love Jones
Not to be sleepin' on
We can go along

Hey, yo baby
Ain't got no tattoos
But when I walk in the room they pose like statues
I size 'em all up, I used to take my pick
But now I'm on some high powered new improved shit

Deep down inside, it never goes away
I just might knock a few hoes today
It's okay, I really get pay makin' phone calls
Told you once before, I'm in it for the long haul

The last in the business, make the transition
Do I have what it takes
Or do you have the right intentions to git with a playa

Even if it means you gotta play the back ground
So you can see some green

No video's or groupies, who ever got the talent
Rush her to the house and let her pose for the camera
Don't let the freak in you keep you up all night
Get your money on girl, don't waste your life

(We can go on)
We can go on and on
(And on)
We can go on and on
Don't sleep on
(Don't sleep on my [Incomprehensible], baby)
Our love Jones
'Cuz we got it goin' on
(Girl, we got it going on)
You know it ain't wrong

We can go on and on
(And on)
We can go on and on and on and on
(Our love Jones)
Our love Jones
Not to be sleepin' on
We can go along

We can go on and on
(We can go on and on tonight)
We can go on and on
Don't sleep on
(Don't sleep on my [Incomprehensible], baby)
Our love Jones
'Cuz we got it goin' on
You know it ain't wrong

(We got it going on)
We can go on and on
(And on)
We can go on and on and on and on
(Our love Jones)
Our love Jones
Not to be sleepin' on
(Not to be sleepin' on)
We can go along

We can go on and on
We can go on and on
(We can go on and on)
Don't sleep on
(We can go on)

Our love Jones
'Cuz we got it goin' on
(We can go on and on)
You know it ain't wrong

We can go on and on
We can go on and on and on and on
(We can go on and on)
(We can go)
Our love Jones
(Our love Jones)
Not to be sleepin' on
(We can't keep sleepin' on)
We can go along

We can go on and on
We can go on and on
(We can go on and on)
