Your body

My body, your body
(All over your body baby)
My body, your body
My body, your body
(All over my body girl)
My body, your body
All over my body girl

My body, your body
(All over your body, baby)
My body, your body
My body, your body
(All over my body)
My body, your body
My body, your body
All over my body girl

In the middle of the night
When my body's feenin' for you, baby
Gotta call you up and let you know
It's what I'm feeling, baby
Nine one one zero zero twenty-four
Baby it's an emergency
I'm calling 'cause gotta have some more
How would you like if I lay you down
(If I lay you down, yeah)
Would you like it if I was to sex you down
I can't think about nothing else
Your sensualate me with your love
It ain't no secret girl
Your body fits me like a glove

My body all over your body, babe
(Baby, it's your body, babe)
Your body all over my body, babe
(Yours over mine)
My body all over your body
It's your body, baby
(It's yours all over, over your body babe)

My body all over your body, babe
(It's your body, yeah)
Your body all over my body, babe
(I cling to your body, baby)
My body all over your body
(Baby, it's your body, babe)
Oh, it's your body babe
All over my body girl

Wanna fill you up 'till your river flows all over me
Wanna feel your precious treasure wrapped around me
oh so tightly
In, out, I wanna hear you shout
Won't you come on baby let me break you off
I guarentee I'll turn you out

How would you like if I lay you down
Would you like it if I was to sex you down
Baby, girl stop fighting you know you want me just like I
want you
Never had a lover that would do the things that body
can do

My body all over your body, babe
(It's your, yeah)
Your body all over my body, babe
(Said it's your body)
My body all over your body
It's your body, babe
(It's yours body, babe)
All over my body babe
