(Rodney)

Darkchild uh uh

Keith Sweat Da Brat

I like that

Who the one that put you on girl?

I'm the one that put you on

Who the one that put you on girl?

I'm the one that put you on come on

(Keith)

It's funny how you do forget

Where you were before we met

I gave you things you could not dream

Like a ?? with a green wood range yeah

Now girl I showed you life with luxury

Wined and dined you

Gave you all of me

Now you act like

Act like you don't know babe

I'm trying to show you

You were the only one

(Chorus- Keith)

How can you keep buggin'

When you were the one strugglin'

Girl I'm the one that put you on

Girl I gave you something

When you didn't have nothing

Girl I'm the one that put you on

(Rodney)

Second verse

(Keith)

Upgraded you to first class flights

And hit you off with so much ice

I had you wearing the finest clothes

Not every guy wants to creep on the low

I thought I told you

You could never find

A love that's better

Better girl than mine

But now you're forcing  
and it's all because of me  
Act like you know  
Cause girl I put you on

Repeat Chorus

(Da Brat)

I tried to tell my nigga not to put you on  
Cause I seen your stanky ass around here before  
He said that you adored him  
But I knew it was fake  
You wasn't in love with him  
You wanted the money and fame  
So he gave you a splash of the good life  
Most hood rats wanna do more than see what it look  
like  
I shook dice, bet ten g's that you were just for one night  
And not for keeps, then I saw you in the car with Keith  
At the mall, in the club, at the bar with Keith  
And didn't nobody know you was a homie but me  
My homie put you in the dopest clothes and fresh  
sneakers  
And now you wanna showboat and ask if did he  
You ain't pretty  
You just popular cause they know you done hit it  
If it wasn't for him icing you down from ear to ankle  
Wouldn't nobody check for you?  
So you should thank him

Repeat Chorus

{Keith} (Da Brat)

Let me tell you girl oh  
You rockin ice because of me  
You got a jeep because of me  
You're looking fly because of me  
You got a Benz because of me  
You got a house because of me  
You got it all because of me  
You got minks because of me  
I put you on (yeah yeah)  
I put you on (who is put this on darkchild)  
I put you on (who is on this? Da Brat)  
I put you on (Keith Sweat it's like that)  
I put you on (You know Rodney Jerkins is dopest)  
I put you on (1999)  
I put you on (you know how we do)  
I put you on (to the two to the two)  
I put you on (like that from all of my crew)
