"Some More"

(feat. Akon)

I made it down 85 speedin down the highway
bout to hit the club bout to do it my way
leanin to the side girls lookin my way
admirin the paint fresh off the driveway

Dancin girls hangin on the side
there's some love that they wanna ride
walk in the club, Kanye better pick one
cuz tonight you know we gon get some

oh we gon make it real hot tonight
we gonna make the panties wet alright
cuz you know we spendin dough for sure
and if you shake it kanye give it some more
[repeat]

i got my friend you can bring your friend
and we can double up for the weekend
gon be a whole lot of freakin
tell you now there aint gon be no sleepin

so all my flat brown booties on the side
dont u know that i wanna ride
were my ladies with them bodies at
we gon show you where the partys at
then we gon make you say
