Ooh

(Tell me it's me you want baby)

Whoa you got to tell me, why don't you tell me, girl?

(Tell me it's me you want baby)

Tell me it's me you want, baby

You know you got to tell me, got to, got to tell me

Why don't you, why don't you tell me, girl?

You, you got to tell me, baby

Whoa oh

Hurt your heart a thousand times

Well, now my rhythm, girl, has got no rhyme

You tell me I'm wrong, baby, full of lovin' like I do

Oh, how can I be wrong, baby, when it feels so good to you?

I wanna hear you tell me, girl

Tell me it's me you want, baby

Got to tell me, ooh, I want you to tell me

Tell me it's me you want, baby

My love is strong, girl, never weak

And all I wanna do is keep on treatin' you real sweet

Don't stop my love girl, 'cause I got so much, so much I want to give

And I'm gonna keep on lovin' you, girl, as long as I, as long as I live

All you got to do is tell me one thing, tell me

Tell me it's me you want, baby

Why don't you, why, why, why don't you just tell?

Tell me it's me you want, baby

Ooh hoo

I know a man ain't supposed to cry

So why don't I just wipe these tears on my eyes?

You tell me you wanna leave me, no, no, no, no, girl

Uh, don't do that, don't do that, I'll never let you go

Uh, girl

Ooh, no, no, no, no, no, no

Ooh, baby
I don't wanna cry, no
Don't tell me you're leavin' me, don't tell me you're
goin' away
I don't, I don't, I don't think I can take it
No, no, no, no, no, no, no, no, no, no, no, no, no, no, no baby
All I want you to do is tell me

(Tell me it's me you want, baby)
Tell me it's me you love
You got to tell me, why don't you just tell me?
(Tell me it's me you want, baby)
Whoa, whoa baby

I got your one love
(Tell me it's me you want, baby)
I wanna be just with you, girl, baby
I've got to give it to you
I wanna give my love, I wanna be your one and only
lover, baby
(Tell me it's me you want, baby)
