### "Tropical"

Somewhere beyond  
Open my eyes, dream girl  
There lies a place for you and me, yeah, girl  
To be together, baby, oh, girl

If you wanna be my friend  
And we can live the story tale to the end  
Come away with me now  
Come away, away

Let's plan out a way  
Baby, on a perfect getaway  
Girl, let's go, let's go  
Come on, come on, come on, on, on  
To the island, girl  
Yeah-eh

Oh, girl, today is the perfect day out, oh, oh, oh, oh  
And you look like you're havin' fun, hey, baby  
(Sunshine in the girl)  
See, there's no need to be unhappy, oh, no, no, no  
I'll keep you excited, we're in the island, girl  
Whatever you make it, it's only, yeah, yeah

If you wanna be my friend  
We can live the story tale to the end  
Come away with me now  
Come away, away

Let's plan out a way  
Baby, on a perfect getaway  
Let's go, let's go  
Come on, come on, come on  
To the island, girl, yeah  
Would you be my tropical girl?

Yeah, beautiful, girl you always stayin' on me mind  
I dig the way you shook your body, ooh, you superfine  
If you think you got me gone, then you right by that, girl  
I admit you got me crazy and I want you in my world

We can walk right on the [?], walk into our favorite song  
Take a dip into the ocean, baby, it's been too long  
Since I had this much good time with my tropical girl  
You so wonderful, girl, be my tropical girl

Let's plan out a way  
Baby, on a perfect getaway  
Let's go  
Come on, come on, come on  
Be my tropical girl

Let's plan out a way  
Baby, on a perfect getaway  
Let's go, let's go  
Come on, come on, come on  
Be my tropical girl

Girl, be my tropical girl?  
Be my tropical girl  
Come on, come on  
Be my tropical girl  
Yeah, yeah  
Yeah, yeah
