Oh yeah baby
You got to make your mind up
Yeah, cut close
Help me out

You know you are my lover
(You know you want my loving baby)
You got me twisted over you
(Girl you got me twisted over you)
I know I got what you need
(I got what you need right here baby)
So what you wanna do?

Baby baby I know
Baby I love you so
But you don't feel like I do
Tell me what can I do?

But I gotta be strong
(But I gotta be strong)
Did me wrong
(Girl you did me wrong)
When I thought we were really down
(I know we were down)

So you say you want me
(Now you say you want me girl)
Make up your mind
(Ooh make up your mind)
'Cause I'm not gonna be here for long
(I'm not gonna be here for long)

You know you are my lover
(You know you want my loving baby)
You got me twisted over you
(Girl you got me twisted over you)
I know I got what you need
(I got what you need right here baby)
So what you wanna do?

Maybe baby in time
(Baby in time)

Baby I know you'll find
(I know you'll find)
That what you needed was here
(Oh no no no no no)
Think about it my dear

But I gotta be strong
(But I gotta be strong)
Did me wrong
(Girl you did me wrong)
When I thought we were really down
(I thought we were down)

So you say you want me
(Now you say you want me girl)
Make up your mind
(Ooh make up your mind)
'Cause I'm not gonna be here for long

(I'm not gonna be here for long)

You know you are my lover
(You know you want my loving baby)
You got me twisted over you
(Girl you got me twisted baby)
I know I got what you need
(I got everything you need tonight)
So what you wanna do?
(Break it up now)

You got me twisted thinkin' about the way that things
used to be
When it was you and me, girl I was so free, see
You had my heart from the start like, Cupid
And I was just downright foolish and stupid

But now I know the reason for the pain and the
headaches
You left me all alone, now I can't even concentrate
I guess I'll wait for the day until you come back
Because my heart is where your love is at
You got me twisted

You know you are my lover
(You know you want my loving baby)
You got me twisted over you
(Girl you got me twisted baby)
I know I got what you need
(I got everything you need tonight)
So what you wanna do?
(What are you gonna do baby?)

You know you are my lover
(You know, I can make you feel real good if you let me
baby)
You got me twisted over you
(Girl you got me twisted baby)
I know I got what you need
(I got everything you need tonight)
So what you wanna do?
(What are you gonna do baby?)

You know you are my lover
(You know, you know, you want my loving baby)
You got me twisted over you
(Girl you got me twisted baby)
I know I got what you need
(I've got everything your body needs)
So what you wanna do?
(What are you gonna do? Tell me, baby)
