(Yumi yumi yum come and give me some)  
Oh baby, oh  
(Yumi yumi yum come and give me some)  
Oh baby

Is this deja vu  
Can I be with you, tonight?  
(Juicy, juicy, come with my love)  
Do you like it fast?  
Or do you like it slow?  
I'll do it so right  
(Juicy, juicy, juicy)

Somebody help me sing this song  
(I know what you like)  
You see baby I know what you like  
(You wanna a love like mine)  
Oh, I know you wanna a love like mine girl  
(I know what you need)  
Oh baby, I know what you need  
(So bring your lovin' to me)  
Bring it on, bring it on to me

(Yumi yumi yum come and give me some)  
Yumi yumi yum  
(Juicy, juicy, juicy)  
Come on and bring me some  
(Yumi yumi yum come and give me some)  
(Juicy, juicy, juicy)

I love the way you work it  
God is this the way, that you wanna play  
All night long  
(Juicy, juicy, juicy)  
(All night long)  
You don't have to worry pretty baby  
I will not do you wrong  
(Juicy, juicy, juicy)  
Oh, bring your lovin' on

(I want your body tonight)  
(Juicy, juicy, juicy)

Girl I want your body tonight  
(Girl I can do you right)  
Oh, I can do you right  
(So bring your love in home)  
(Juicy, juicy, juicy)  
Bring your lovin' on home baby  
( 'Cause girl you know what's on)  
Girl it's on, it's on, it's on, it's on, it's on

(Yumi yumi yum come and give me some)  
Yumi yumi yum  
(Juicy, juicy, juicy)  
Come and give me some  
(Yumi yumi yum come and give me some)

See your body look real good to me baby  
(Juicy, juicy, juicy)  
Oh, yes it does  
(Yumi yumi yum come and give me some)

Here baby  
(See you look real good baby)  
(Juicy, juicy, juicy)  
Let me talk that one out  
See your love is so good  
(Yumi yumi yum come and give me some)  
And your lips are so juicy  
(See your body is real real juicy to me to tonight, oh)  
(Juicy, juicy, juicy)

(Yumi yumi yum come and give me some)  
(I like the way you work it)  
Let's turn out the lights baby  
(Juicy, juicy, juicy)  
Let's get busy baby  
(Yumi yumi yum come and give me some)
