Yo, Keith Sweat and Snoop D O double G  
Real players doin' this VIP, you feel me  
So all the ladies that wanna get with us  
You got to be special, VIP  
Come get with me, mmm

Goodness grief, it's Snoop and Keith Sweat  
A double dose of this triple threat  
Yep, Moet White Star in a glass  
Here's a toast to the fool that let you slip through with  
no pass  
All access, you can jump in and test  
When we through parlayin', you dig what I'm sayin'  
You look good, girl, but you'd look better if you was  
with me  
Get in where you fit in, let's do this VIP

Look at you, Shorty, you really got it goin' on  
I like the way you move it, girl, when the DJ plays this  
song  
You're lookin' real good to me sittin' in a VIP  
You really need to get with me

Crystal blowin', party still goin'  
Crowd pleasers everywhere, but I still had to stop and  
stare  
'Cause you're lookin' real good to me sittin' in a VIP  
You really need to get with me

So come on get with me  
Come get with me, babe  
I got what you need  
Got what you need, girl  
Come on get with me  
Come get with me, babe  
I got what you need  
Got what you need, girl

Come on get with me  
Come spend the night tonight  
I got what you need  
I'll make you feel alright

Come on get with me tonight  
Come get with me, babe  
I got what you need  
Got what you need, girl

Pullin' out in your Lex, tell you what we'll do next  
Go to a part of town where we can fool around  
Girl, I wanna turn you on, make love all night long  
You're lookin' real good to me

See, the night is young, girl, let's have some fun  
Just wanna lay you down, little boo I found  
I wanna get with you  
Tell me what you wanna do

So come on get with me  
Come get with me, babe  
I got what you need  
Got what you need, girl  
Come on get with me  
Come get with me, babe  
I got what you need  
Got what you need, girl

Now I have seen a lot of girls, but none like you  
You're red-boned and thick, got it goin' on, ooh  
She's in the next room, I slid by the restroom  
And all I heard was zoom, zoom, zoom  
I see you peekin' but you ain't speakin'  
Put your drink down, think now, stop tweekin'  
A once in a lifetime experience  
Come get with me, it'll be luxurious

I'm serious and curious to find out what turns you on  
I'm Snoop Doggy Dogg with the doggy bone  
Hangin' with Keith Sweat in his VIP section  
Tryin' to give you more than the average affection  
Type 'em all, close the doors, it's goin' down  
You never thought that Keith Sweat  
Would hook up with the Dogg Pound  
Gangster's finest, take time to listen  
Come get with me 'cause we on a mission

Come on get with me  
Come spend the night tonight  
I got what you need  
I'll make you feel alright  
Come on get with me  
Come get with me, babe  
I got what you need  
Got what you need, girl

Yo, yo, yo, what's happenin', baby?  
Come on over to the VIP section  
Oh, don't worry about it, you ain't got no wristband  
We gon' get you in, that's all I can say  
Kill 'em with the DPG, doin' it VIP, that's real  
Don't even worry about no wristband  
You rollin' with the Dogg, right, yeah

Holler at a player, holler at a player  
Holler at a player, holler at a player  
Holler at a player, holler at a player  
Holler at a player, holler at a player  
Don't even sweat it
