Well I don't know why

It's taken so long to find

That someone who makes me

Feel like I'm already home

But there's a feeling inside

Since you came into my life

And now I just wanna give you

Big Promises

And now I just wanna give you

Every little thing you want.

(Chorus)

And I can't help it

But when I see your face

I just wanna make

Big Promises

Yeah I can feel it when i watch you sleep

I just wanna keep big promises

Oh oh oh, oh oh oh, oh oh oh

Big Promises.

Now it's a beautiful place

I'm finding I'm in these days

And dreams that i kept to myself
I got someone to share, yes I do
Yeah, and you're making it feel so good
Like I thought it never could
And the crazy truth is
Baby you got me loving like I never dared.

(Chorus)

And I can't help it
But when I see your face
I just wanna make
Big Promises
Yeah I can feel it when i watch you sleep
I just wanna keep big promises.
I wanna give you a place
Where you know you're safe
In these arms I'll keep you warm
'Cause you've given me a life
So just look in my eyes and you'll know for sure
That my heart is yours
Forever more, yes it is
Pick it out now.

(Chorus)

Yeah I can't help it honey
But when I see your face
I just wanna make

Big Promises, big honey

Yeah I can feel it when i watch you sleep

I know I gonna keep big promises.

Yes I know when I see your pretty little face

I'm gonna do the best I can

To give you every little thing

That you'd ever need

And imma always be your man

In the middle of the night

For the rest of your life

I'll be forever true

I'll be loving you, loving you

Big Promises.
