its been so long since you felt like you were loved  
so what went wrong?  
but do you know  
there's a place where you belong  
here in my arms?

when you feel like you're alone in your sadness  
and it seems like no one in this whole world cares  
& you wanna get away from the madness  
you just call my name & i'll be there  
you just call my name and i'll be there

the pain inside rest or hope for love  
& soon you will find that i'll give you all that your heart  
could ever want and so much more

when you feel like you're alone in your sadness  
and it seems like no one in this whole world cares  
and you wanna get away from the madness

you just call my name & i'll be there x3  
just call my name

call my name, say it now  
i want you to never down  
the love i have for you is so alive x2

oh, you just call my name  
you just call my name
