I'm changing lanes and talkin' on the phone
Drivin' way too fast.
And the interstate's jammed with gunners like me
Afraid of comin' in last.
But somewhere in the race we run,
We're coming undone...

CHORUS:

And days go by...
I can feel 'em flyin'
Like a hand out the window in the wind.
The cars go by...
Yeah it's all we've been given,
So you better start livin' right now
'Cause days go by...
Oh and a woo-hoo...
Out on the roof just the other night
I watched the world flash by,
Headlights, taillights,
Running through a river of neon signs.
Mmm-hmmm...
But somewhere in the rush I felt,
We're losing ourselves...

CHORUS:

And days go by...
I can feel 'em flyin'
Like a hand out the window in the wind.
The cars go by...
Yeah it's all we've been given,
So you better start livin' right now,
And days go by...
Oh and a woo-hoo...
Yeah, the days go by...
Oh and a woo-hoo!
We think about tomorrow then it slips away.
Oh, yes, it does.
We talk about forever but we've only got today...

And the days go by...
I can feel 'em flyin'
Like a hand out the window as the cars go by...
Yeah it's all we've been given,

So you better start livin',
You better start livin',
Better start livin' right now!
CHORUS:
'Cause days go by...
I can feel 'em flyin'
Like a hand out the window in the wind.
The cars go by...
Yeah it's all we've been given,
So you better start livin' right now...
'Cause days go by...
Oh and a woo-hoo...
Yeah, these days go by...
Oh and a woo-hooo!

Oh!
So take 'em by the hand,
They're yours and mine.
Take 'em by the hand,
And live your life.
Take 'em by the hand,
Don't let 'em all fly by!

Come on, Come on now...
Yeah!
Come on now!
Oh and a woo-hooo!
Don't you know the days go by...
