What kind of spell is this  
that you've cast on me with your kiss  
its like i've lost all control of my senses  
Its just not like me, to give in so easily  
and dropping my thought and im leaving my heart  
defenseless  
Oh, but im feelin good here beneath the pines of the  
Georgia woods

Chorus:

And what a surprise, hear by my side  
Its more than a full moonshine and its driving me crazy  
I waited so long, something is strong  
And now i gotta be fallin cuz im already callin you baby

Theres nobody hear to see  
the sparks between you and me  
We better be careful my love or these woods will be  
burning

Or maybe we just give in, throw caution to the wind

Its funny how we aint got any say in the matter

Chorus:

And what a surprise, hear by my side  
Its more than a full moonshine and its driving me crazy  
I waited so long, something is strong  
And i gotta be fallin cuz im already callin you baby  
uh huh  
oh take me down town  
uh huh

Yeah, i waited so long, somethin is strong  
And i know im falling cuz im already callin you  
oh

what a surprise, hear by your side  
Its more than a full moonshine and its driving me crazy  
oh waited so long, something is strong  
And we know im fallin cuz im already callin you  
oh callin you baby

yeah, uh huh
