Well there ain't no strangers when you're  
Swingin' a hammer side-by-side, oh  
Yeah, we had a little setback  
But ain't nothin' gonna stop this  
Southern pride, no no  
So heave-ho let's pull together now boys  
Once again this town's gonna make some noise

We'll be squaredancin', toe-tappin'  
We'll be kickin' up our heels to the "Cotton-Eyed  
Joe"  
Music and laughter, gonna raise the rafters  
A little boot-slidin' across the floor  
Do a little hand-holdin', hay-rollin'  
Strollin' with your honey by your side  
Dixie cups and paper plates  
Fiddle tunes and "Amazing Grace"  
Hallelujah gonna raise the barn tonight

Well the Lord, He was willin'  
But the creek it did rise up anyhow  
And the boss man don't seem to care  
So it's up to us to gather 'round  
The stars'll shine a little brighter than before  
It's gonna come alive when we swing open the  
Doors and

We'll be squaredancin', toe-tappin'  
We'll be kickin' up our heels to the "Cotton-Eyed  
Joe"  
Music and laughter, gonna raise the rafters  
A little boot-slidin' across the floor  
Do a little hand-holdin', hay-rollin'  
Strollin' with your honey by your side  
Dixie cups and paper plates  
Fiddle tunes and "Amazing Grace"  
Hallelujah gonna raise the barn tonight

So heave-ho, let's pull together now boys  
Once again this town's gonna make some noise  
Everybody make some noise

We'll be squaredancin', toe-tappin'  
We'll be kickin' up our heels to the "Cotton-Eyed  
Joe"  
Music and laughter, gonna raise the rafters  
A little boot-slidin' across the floor  
Do a little hand-holdin', hay-rollin'  
Strollin' with your honey by your side  
Dixie cups and paper plates  
Fiddle tunes and "Amazing Grace"  
Hallelujah gonna raise the barn tonight

So, come on now, let's gather 'round  
Gonna give it up and all throw down  
Hallelujah gonna raise the barn tonight
