She believes in me like Iâ€™ve been tryinâ€™ to do  
Iâ€™m seeinâ€™ things Iâ€™ve never seen before  
Ever since she came into my life  
Iâ€™ve been a better man

Run run runninâ€™ I was runninâ€™ scared  
Always lookinâ€™ for a place to leave  
And I couldnâ€™t seem to find where I belonged  
â€™Til she took my hand

(Chorus)  
We can make this work out baby  
I know itâ€™s true  
I canâ€™t picture myself with no one but you  
And I think I got it right this time

All of my life Iâ€™ve been lookinâ€™ for someone  
Who believes in love the way I do  
And I know Iâ€™ve made my share of big mistakes  
But girl I promise you

(Chorus)  
We can make this work out baby  
I know itâ€™s true  
I canâ€™t picture myself with no one but you  
And I think I got it right this time

True believers always find each other  
And here we are  
I always knew that you were out there  
Just waitinâ€™ on me  
For me to find my way, find my way to your heart

(Chorus)  
We can make this work out baby  
I know itâ€™s true  
Canâ€™t picture myself with no one but you  
And I think I got it right this time

Yeah after all the crazy days I made it through  
I canâ€™t picture myself with no one but you  
And I think I got it right this time

Oh yeah
