So you're leaving
In the morning
On the early train
I could say everything's alright
And i could pretend and say goodbye

You got your ticket
You got your suitcase
You got your leaving smile
I could say that's the way it goes
I could pretend and you won't know
That i was lying

'cause i can't stop loving you
I can't stop loving you
No i can't stop loving you
Though i tried

We took a taxi
To the station
Not a word was said
I saw you walk across the road
For maybe the last time i don't know

I'm feeling humble
I heard a rumble
On the railway tracks
And when i hear that whistle blow
I walked away and you won't know
That i was crying

'cause i can't stop loving you
No i can't stop loving you
I just can't stop loving
Though i tried

I just can't stop loving you
No i can't stop loving you
I just can't stop loving you
Why do i try
Why do i try
