You said you needed your space  
I wasn't where you wanted to be  
I didn't stand in your way  
I only want you to be happy  
And so how surprised am I  
To see you here tonight

Oh, can't you see  
That for worse, or for better,  
We're better together  
Please, just come back home  
No, don't say that you're sorry  
And I won't say I told you so

Sometimes in our life  
We get to where we wonder if  
The long road that we're on  
Is headin' in the same direction  
Well, when it comes to you and me  
We're right where I know we should be

Oh, can't you see  
That for worse, or for better,  
We're better together  
Please, just come back home  
No, don't say that you're sorry  
And I won't say I told you so

Sometimes it's like we're deep in nothing but love  
The slightest thing can grow so foolishly  
Remind me, please

Oh can't you see  
That for worse of for better,  
We're better together  
Please, just come back home  
No, don't say that you're sorry  
You don't gotta say you're sorry, baby

Oh can't you see  
That for worse, or for better,  
We're better together

Please, just come back home  
No, don't say that you're sorry  
And I won't say I told you so

And I won't say I told you so  
But I told you so  
Shoulda known better than to leave me, baby  
Shoulda known better than to leave me, darlin'
