It ticks just like a timex, it never lets up on you,  
Who says life is easy, the job is never through,  
It'll run us till we're ragged, it'll harden our hearts,  
And love could use a day of rest before we both start  
fallin' apart

Chorus:

And pray that it's rainin' on Sunday,  
Stormin' like crazy,  
We'll hide under the covers all afternoon  
And baby whatever comes on Monday can take care of  
itself cause we've got better things that we can do  
When it's rainin' on Sunday

Your love is like religion, across in Mexico  
And your kiss is like the innocence of a prayer nailed to  
a door  
Oh surrender is much sweeter, when we both let it go  
Let the waters wash our bodies clean and water wash  
our souls  
(Repeat Chorus)

When it's rainin on Sunday  
When it's rainin' on Sunday  
Let it rain!
