It was about five 'til five on Friday  
And we were all getting ready to go  
And the boss man started screaming  
And his veins began to show

He said, "You and you come with me  
'Cause you're gonna have to stay"  
But my heart was thumping I was jumping  
I had to get away

Some days you gotta dance  
Live it up when you get the chance  
'Cause when the world doesn't make no sense  
And you're feeling just a little too tense  
Gotta loosen up those chains and dance

Well I was talking with my baby  
Over a small glass of tea  
When she asked a loaded question  
She said, "How do you feel about me?"

My mind was racin' I was pacin'  
But the words just wouldn't come  
And there was only one thing left to do  
I feel it coming on

Some days you gotta dance  
Live it up when you get the chance  
'Cause when the world doesn't make no sense  
And you're feeling just a little too tense  
Gotta loosen up those chains and dance

You gotta dance and you gotta dance  
You gotta dance and you gotta dance

Some days you gotta dance  
Live it up when you get the chance  
'Cause when the world doesn't make no sense  
And you're feeling just a little too tense  
Gotta loosen up those chains and dance  
You gotta loosen up those chains and dance  
Come on you gotta loosen up those chains and dance

Yeah
