There's a new wind blowin' like I've never known  
I'm breathin' deeper than I've ever done  
And it sure feels good, to finally feel the way I do

Now, I wanna love somebody  
Love somebody like you

An' I'm lettin' go of all my lonely yesterdays  
I've forgiven myself for the mistakes I've made  
Now there's just one thing, the only thing I wanna do,  
mmm, mmm

I wanna love somebody  
Love somebody like you

Yeah, I wanna feel the sunshine  
Shinin' down on me and you  
When you put your arms around me  
You let me know there's nothing in this world I can't do

I used to run in circles goin' no-where fast  
I'd take, uh, one step forward and two steps back  
Couldn't walk a straight line even if I wanted to, mmm,  
mmm

I wanna love somebody  
Love somebody like you

Whoa here we go now

Yeah, I wanna feel the sunshine  
Shinin' down on me and you  
When you put your arms around me  
Well, baby there ain't nothing in this world I can't do

Sometimes it's hard for me to understand  
But you're teachin' me to be a better man  
I don't want to take this life for granted like I used to  
do, no, no

I wanna love somebody  
Love somebody like you

I'm ready to love somebody  
Love somebody like you, ooh

An' I wanna love somebody  
Love somebody like you, yeah

Oh yeah oh, I wanna be the man in the middle of the  
night  
Shinin' like it's true  
I wanna be the man that you run to whenever I call on  
you  
When everything that loved someone finally found it's  
way  
Wanna be a better man, I see it in you, yeah, yeah,  
yeah

Yeah, yeah, yeah  
Yeah, you wanna believe it
