When you walked up behind me and covered my eyes

And whispered in my ear, guess who

I rattled off names like i really didn't know

But all along i knew it was you

And, the longer we talked, the more we laughed

And wondered why we didn't last

It had been a long time, but later last night

Baby, we caught up real fast

Chorus:

AND maybe it's a little too early

To know if this is gonna work

All i know is you're sure looking

Good in my shirt

That's right

You look good in my shirt

Well now i'm not saying we solved overnight

every way that we went wrong

Oh, but what i'm seeing i'd sure love seeing

Every morning from now on

(repeat chorus)

C'mon now

Aww that's right

Oh you look so fine

(repeat chorus twice)
