One day I was on the ground
When I needed a hand
And it couldn't be found
I was so far down
That I couldn't get up, you know
One day I was one of life's losers
Even my friends were my accusers
And in my head I was lost before I began
I had a dream
But it turned to dust
And what I thought was love
That must have been lust
I was living in style
When the walls fell in
When I played my hand
I looked like a joker
Turn around
Fate must have woke her
Cause lady luck she was
Waiting outside the door
(Chorus)
I'm winning, I'm winning
I'm winning, oh yeah
I'm winning
And I'm winning

Too bad it belonged to me
It was the wrong time
And not meant to be
It took a long time
But I knew for now
I can see the day
That I believe for
Friends agree there's a need
To play the game
And to win again, let me tell ya now
Repeat Chorus
Now I had a dream
But it turned to dust
And what I thought was love
That must have been lust

I was living in style
When the walls fell in
When I played my hand
I looked like a joker
Turn around
Fate must have woke her
Cause lady luck she was
Waiting outside the door
Yes she was how, hey
Repeat Chorus twice
