Girl, just relax, you're here with me
I'll be your guide to ecstasy
'Cause I'm here to comfort you
Only if you want me to

I know you've heard it all before
So many things you just ignore
Don't be so afraid to take the chance
Girl, believe me, I'm the man

I wanna know if it's alright
(Tell me)
For me to turn down the light
(Tell me)
Let me explore your bodys needs
Are you with it?

I wanna know if it's okay
(Tell me)
If we make love by the fireplace
(Tell me)
So take off your clothes, I'm here for play
Are you with it?

Girl, I see the flame of passion burning inside of you
Just open up and let me in
I'll take you where you've never been

We can slow things down if I move too fast
Oh baby, 'cause there'll be no rush
'Cause, girl, when we touch
I promise you one thing I'll never get up

I wanna know if it's alright
(Tell me)
For me to turn down the light
(Tell me)
Let me explore your bodys needs
Are you with it?

I wanna know if it's okay

(Tell me)
If we make love by the fireplace
(Tell me)
So take off your clothes, I'm here for play
(Are you with it?)

Let me hold you, feel your body close to me
Tender love is what you need
Slip on something, sexy, honey
'Cause I need to please you from your head to your toe

I wanna know if it's alright
(Tell me)
For me to turn down the lights
(Tell me)
Let me explore your bodys needs
(Are you with it?)

I wanna know if it's okay
(Tell me)
If we make love by the fireplace
(Tell me)
So take off your clothes, I'm here for play
(Are you with it?)

I wanna know if it's alright
(Tell me)
For me to turn down the lights
(Tell me)
Let me explore your bodys needs
I've got to have it baby, girl
'Cause I can't get enough

I wanna know if it's okay
(Tell me)
If we make love by the fireplace
(Tell me)
So take off your clothes, I'm here for play
(Are you with it?)

I wanna know if it's alright
(Tell me)
For me to turn down the lights
(Tell me)
Let me explore your bodys needs
(Are you with it?)

I wanna know if it's okay
(Tell me)
If we make love by the fireplace
(Tell me)

So take off your clothes, I'm here for play
(Are you with it?)

I wanna know if it's alright
(Tell me)
For me to turn down the lights
(Tell me)
Let me explore your
bodys needs
(Are you with it?)

I wanna know if it's okay
(Tell me)
If we make love by the fireplace
(Tell me)
So take off your clothes, I'm here for play
