If you drive around
Back in our old hometown
I wonder, do you think of me?

When you drive by a school
Do you remember two fools?
I wonder, do you think of me?

And remember the park
Where you struck the spark
To a fire that's still burnin'
Oh, in my heart

That old graduation day
You just drifted away
I wonder, do you think of me?

And remember those games
Those cold football games
I was your hero
Though I seldom played

Back then could you see
What our future would be?
I wonder, do you think of me?

And the classes we missed
Caused by a kiss
I can tell you that I've never
Felt like that since

I don't know, if you would
But I'd go back, if I could
I wonder, do you think of me?

I still love you
Do you think of me?
