Now darling, I've loved, I've never done wrong  
I've been fair to you, you know all along  
Why treat me this way, you're breaking my heart  
I'm lonesome for you, we're so far apart.

It's never too late to start over new  
I've loved you so long, you know I've been true  
Please come back to me, my heart is so blue  
It's never too late to start over new.

Now when you are tired your new love's gone down  
I hope you'll return, I'll still be around  
I love you so, well, you know I will wait  
But remember these words, it's never too late...
