This is our last goodbye  
The curtain is descending  
This is our last goodbye  
The show has had it's run  
Now it's ending.

I was not the star but  
Mine was an important part  
I gave all that I could give  
There was nothin' left to give  
After I gave my heart.

This is our last goodbye  
I'll leave the stage in laughter  
I just can't let her see  
The fool she's made of me.

The tears come after  
I've rehearsed so much that I  
Can't leave the stage and never cry  
This is our last goodbye...
