running around  
i spent my whole life running around  
settling down  
i never dreamed i'd be settling down  
but something's coming over me  
woman you have got a hold on me  
and the reason just might be  
you're so good to me, oh  
somebody's doing me right  
somebody's holding me tight  
sharing my days and my nights  
somebody i really like  
just took a hold of my hand  
you make me feel like a man  
there's been a change in my life  
somebody's doing me right  
it's alright  
oh yeah it's alright  
set in my ways  
thinking that love would only get in my way  
but now i'm wanting to stay  
i like this feeling of wanting to stay  
really it's no mystery  
what brought all this change in me  
you're the one who made me see  
how love was meant to be, oh  
somebody's doing me right  
somebody's holding me tight  
sharing my days and my nights  
somebody i really like  
just took a hold of my hand  
you make me feel like a man  
there's been a change in my life  
somebody's doing me right  
it's alright, all right  
somebody's doing me right  
somebody's holding me tight  
sharing my days and my nights  
somebody i really like  
just took a hold of my hand  
you make me feel like a man  
there's been a change in my life

somebody's doing me right  
somebody's doing me right  
oh whoa, somebody's doing me right  
oh whoa whoa whoa  
somebody's doing me right  
(song fades)
