Somewhere between your heart and mine
There's a window, I can't see through
There's a wall so high, it reaches the sky
Somewhere between me and you

I love you so much, I can't let you go
And sometimes I believe you love me
But somewhere between your heart and mine
There's a door without any key

Somewhere between your heart and mine
There's a window, I can't see through
There's a wall so high, it reaches the sky
Somewhere between me and you

Somewhere between your heart and mine
There's a love that I don't understand
It's there for a while then it fades like a smile
And I'm left in the middle again

Somewhere between your heart and mine
There's a window, I can't see through
There's a wall so high, it reaches the sky
Somewhere between me and you
Somewhere between me and you
