It's amazing how you  
Can speak right to my heart  
Without saying a word  
You can light up the dark  
Try as I may I could never explain  
What I hear when you don't say a thing  
The smile on your face  
Let's me know that you need me  
There's a truth in your eyes  
Saying you'll never leave me  
A touch of your hand  
Says you'll catch me if ever I fall  
Yeah, you say it best  
When you say nothing at all  
All day long I can hear  
People talking out loud  
But when you hold me near  
You drown out the crowd  
Old Mr. Webster could never define

What's being said between your heart and mine  
The smile on your face  
Lets me know that you need me  
There's a truth in you eyes  
Saying you'll never leave me  
A touch of your hand  
Says you'll catch me  
If ever I fall  
Yeah, you say it best  
When you say nothing at all  
The smile on your face  
Lets me know that you need me  
There's a truth in your eyes  
Saying you'll never leave me  
A touch of your hand says you'll catch me  
If ever I fall  
Yeah, you say it best  
When you say nothing at all
