You ought to let go, let God have His way  
You ought to let go and let God have His way  
You ought to let go and let God have His way  
You ought to let go and let God have His way

You've been waiting a long time  
For God to bless you  
You ought to let go and let God have His way

If you want to be blessed, you want God to move  
Here's a little something that you must do  
Don't wait for tomorrow, tomorrow may be too late  
Let go and let God, let God have His way

Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way

You've been waiting a long time  
For God to bless you  
Let go and let God have His way

If you want to be blessed, you want God to move  
Here's a little something that you must do  
Don't wait for tomorrow, tomorrow may be too late  
Let go and let God, let God have His way

Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way

You've been waiting a long time  
For God to bless you  
Let go and let God have His way

Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way

Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way

Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way

Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way

Let go, let God, let go, let God  
Let go, let God, let go, let God  
Let go, let God, let go, let God  
Let go, let God, let go, let God

Let go, let God, let go, let God  
Let go, let God, let go, let God  
Let go, let God, let go, let God  
Let go, let God, let go, let God

Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way

Let go, let God, let go, let God  
Let go, let God, let go, let God  
Let go, let God, let go, let God  
Let go, let God, let go, let God

Let go, let God, let go, let God  
Let go, let God, let go, let God

Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way  
Let go and let God have His way
