I love you so much I hate you so bad Said "I  
Don't miss you" You know that's not true Boy I  
Want you bad I hate you so much But I love you  
Oh so bad When I say I'm leaving I don't mean it  
I just want you back [Verse 1] Got my hopes up  
When we broke up That we would get back  
Always said that No matter what we would be  
Together I want you back now more than ever  
Feels like we on a roller-coaster You take me up  
High then take me down low There go them  
Games boy you think You think you're clever  
You try to play me it's so whatever [Pre-Chorus]  
(Oh-oh) Some days we on the same page (Oh-  
Oh) Then we go our separate ways (Oh-oh) And  
Our loves down the drain (Oh-oh) Then I'm  
Calling you again (Oh-oh) Some days we on the  
Same page (Oh-oh) Then we go our separate  
Ways (Oh-oh) And our loves down the drain  
(Oh-oh) Then I'm calling you again [Chorus] I  
Love you so much I hate you so bad Said "I don't  
Miss you" You know that's not true Boy I want  
You bad I hate you so much But I love you oh  
So bad When I say I'm leaving I don't mean it I  
Just want you back (La la la la la la la) Tell me a  
Way we can make this better Boy I want you  
Back now forever (La la la la la la la) We can

Base it all on this week together Boy I want you  
Back now forever [Verse 2] When you call me  
And I hang up And I call right back & you pick  
Up Phone dies 'cuz we talk for hours Can't resist  
You got super powers Only want me when  
You're lonely But when I want you you don't  
Know me You text me I say "I'll hit you later"  
Really I wish you would come and save me [Pre-  
Chorus] (Oh-oh) Some days we on the same  
Page (Oh-oh) Then we go our separate ways  
(Oh-oh) And our loves down the drain (Oh-oh)  
Then I'm calling you again (Oh-oh) Some days  
We on the same page (Oh-oh) Then we go our  
Separate ways (Oh-oh) And our loves down the

Drain (Oh-oh) Then I'm calling you again  
[Chorus] I love you so much I hate you so bad  
Said "I don't miss you" You know that's not true  
Boy I want you bad I hate you so much But I  
Love you oh so bad When I say I'm leaving I  
Don't mean it I just want you back (La la la la la
