As I turned up the collar on  
A favorite winter coat  
This wind is blowin' my mind  
I see the kids in the street  
With not enough to eat  
Who am I to be blind  
Pretending not to see their needs

A summer's disregard  
A broken bottle top  
And a one man's soul  
They follow each other  
On the wind ya' know  
'Cause they got nowhere to go  
That's why I want you to know

I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself and then make a change, yey  
Na na na, na na na, na na na na oh ho

I've been a victim of  
A selfish kinda love  
It's time that I realize  
There are some with no home  
Not a nickel to loan  
Could it be really pretending that they're not alone

A willow deeply scarred  
Somebody's broken heart  
And a washed out dream  
(Washed out dream)  
They follow the pattern of the wind ya' see  
'Cause they got no place to be  
That's why I'm starting with me

I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer

If you wanna make the world a better place  
Take a look at yourself and then make a change

I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself and then make that change

I'm starting with the man in the mirror  
(Man in the mirror, oh yeah)  
I'm asking him to change his ways, yeah  
(Change)  
No message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself and then make the change  
You gotta get it right, while you got the time  
'Cause when you close your heart  
(You can't close your, your mind)  
Then you close your mind

(That man, that man, that man)  
(That man, that man, that man)  
(With the man in the mirror, oh yeah)  
(That man you know, that man you know)  
(That man you know, that man you know)  
I'm asking him to change his ways  
(Change)  
No message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself then make that change

(Na na na, na na na, na na na na)  
Ooh  
Oh yeah  
Yeah yeah yeah yeah yeah yeah  
(Na na na, na na na, na na na na)

Oh no  
Oh no, I'm gonna make a change  
It's gonna feel real good  
Sure mon  
(Change)  
Just lift yourself  
You know, you got to stop it yourself  
(Yeah)  
Oh  
Make that change  
(I gotta make that change today, oh)  
(Man in the mirror)  
You got to, you got to not let yourself, brother oh

Yeah  
You know that  
(Make that change)  
(I gotta make that make me then make)  
You got, you got to move  
Sure mon, sure mon  
You got to  
(Stand up, stand up, stand up)  
Make that change  
Stand up and lift yourself, now  
(Man in the mirror)  
Make that change  
(Gonna make that change, sure mon)  
(Man in the mirror)  
You know it, you know it, you know it, you know  
(Change)  
Make that change
