Got no time to waste
While you build evidence for your case
I'm going out alone tonight
Boy wipe that grin off your face.
Say you don't like my attitude.
Baddest, custom made for you.
I'm heading out the door real soon.
Consider this an I.O.U.

I came here looking for a brand new boyfriend.
Cause the other one gets on my nerves.
I came here looking for a brand new boyfriend.
Cause the other one acts like a jerk.
You want me, I'm ready. I like what I see.
I'm not desperate, but I'm on the edge of my seat.
My boyfriend's probaly wondering
So why don't you go tell him
That tonight I gotta new boyfriend.

Oh, Huh (oooh)
Oh, Huh.

Your so in to playing games
But I'm the queen of his heart.
I'm going out to find somebody
Who better play the part.
You had the chance to shine with me.
Be the guy you said you'd be
But now it's time for you to leave.
I'm not listening.
