[Chorus:]

Tonight is the right night,

Everybody's all right.

'Yo feel it in my bones, we gonna make it out of sight.

So if you're ready, go party 'till it the daylight. Comin' alive with me.

(Comin' alive with me.)

Baby, don't be shy, it's time to come alive. Yeah, have a good time, so get your hands high. Groove 'cause it feels right, under the moonlight. Nod your head with me. (Nod your head with me.)

[KeKe:]

Come with me, let's get away, out all night, and sleep all day. I don't care what people saying. Goin' and goin' and goin' my way. After dark, we get it poppin'. Once it comes, the life, there's no stoppin'. Hit the feeling, catch the flow. Of the nighttime groove, here it goes. Tonight is the right night, everybody's all right. 'Yo feel it in my bones, we gonna make it out of sight. So if you're ready, go party 'till it the daylight. Comin' alive with me. (Comin' alive with me.) Baby, don't be shy, it's time to come alive. Yeah, have a good time, so get your hands high. Groove 'cause it feels right, under the moonlight. Nod your head with me. (Nod your head with me.)

[Cham:]

Y'all is slippin' on a pina colada, build in dunno in a full suit of water, she all can know what she got from her mother, club is on fire, but no need for water. Ooh, everybody's ravin', girls on the dance floor misbehavin'. Nobody discover the switch, everybody close up, so you know what everyone is cravin'. Hey!

[Keke:]

When the nighttime comes, we go wild. Madness under the moon is our style. Do what we want, the magic is right. This party under the morning in light.

[Chorus:]

Tonight is the right night, everybody's all right. 'Yo feel it in my bones, we gonna make it out of sight. So if you're ready, go party 'till it the daylight. Comin' alive with me. (Comin' alive with me.) Baby, don't be shy, it's time to come alive. Yeah, have a good time, so get your hands high. Groove 'cause it feels right, under the moonlight. Nod your head with me. (Nod your head with me.) [x2]
